

FOR PROFESSIONAL SERVICES PROVIDERS

Comprehensive, secure, online payment solution for professionals

Online payments automatically opt out of conventional mailed bills – you save money, your client goes **Green!**

Tightly integrated with major Time and Billing software packages

Confidential – neither party sees the other's payment details

Delivers substantial time and cost savings for a Professional Services firm

Highest levels of security. Fully PCI/DSS compliant

Accelerates cash flow – faster turnaround, instant payment notification

Funds are automatically deposited into the Firm's bank account. A/R account balances are updated when payments are processed

Payments can be made with EFT and major credit cards

Low cost – easily pays for itself in substantial savings in mailing and bookkeeping costs

Payments accepted 24/7, any browser, any device

No technical expertise or hardware or software upgrades required

Clients receive an instant time-stamped receipt when they make their payment
